PETITION TO REVIVE**ABANDONED APPLICATION UNDER 37 C.F.R. 1.137(b)**

Sir:

Petitioner, Bristol-Myers Squibb Company, owner of the subject application via an Assignment recorded on December 14, 1999 on Reel 010463 and Frame 0160, respectfully petitions the Commissioner to revive the subject application which was abandoned unintentionally through failure to comply with 37 C.F.R. 1.114 by filing an improper Request for Continued Examination (RCE) under 37 C.F.R. 1.114.

Under 37 C.F.R. 1.114 a request for continued examination of the application must be accompanied by a submission and the fee set forth in §1.17(e)(2) prior to abandonment of the application. The submission may be an information disclosure statement.

In fact, after a Notice of Allowance mailed February 11, 2003 (Exhibit A) was received in the subject application, instead of paying the issue fee by the May 11, 2003 due date, Applicant filed a Request for Continued Examination (RCE) on May 9, 2003, a copy of which is attached (Exhibit B). However, Applicant failed to file the required Submission under 37 C.F.R. 1.114 with the Request.

**23914**

PATENT TRADEMARK OFFICE

It was not until May 28, 2004 that Applicant filed a Supplemental Information Disclosure Statement (copy enclosed, Exhibit C) which would have qualified as a Submission if filed before the subject application was abandoned. On August 30, 2004, Applicant filed yet a second Supplemental Information Disclosure Statement (copy enclosed, Exhibit D).

On October 4, 2004, Applicant received a "Notice of Improper Request For Continued Examination (RCE)", copy of which is attached (Exhibit E) wherein in paragraph 7 thereof it is indicated that the request was not accompanied by the required submission, as signed by Ms. F. Patterson. It was not until receipt of this "Notice" that Applicant's attorney was aware that the RCE filed on May 4, 2003 was improper.

In the past month, the undersigned attorney of record has been in contact with Examiner Rebecca Cook, Ms. F. Patterson, Ms. Brenda Gray, Ms. Margaret Stevens and Ms. Rene Jones of the U.S. Patent and Trademark Office in an effort to determine what had to be done to correct the deficiency in the RCE and/or otherwise revive the subject application.

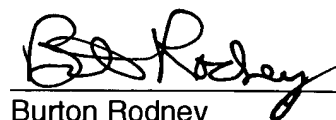

On November 1, 2004, the undersigned attorney spoke with Ms. Margaret Stevens who informed him that the application would have to be revived.

- (1) This Petition will serve as a reply to the "Notice".
- (2) The Commissioner is hereby authorized to charge Deposit Account No. 19-3880 in the name of Bristol-Myers Squibb Company in the amount of \$1,370.00, the petition fee as set forth in §1.117(m) for filing a petition for the revival of an unintentionally abandoned application.
- (3) The entire delay in filing the required submission with the RCE from the due date for the reply (August 12, 2003 - the due date for filing the issue fee based on the May 12, 2003 Notice of Allowance or for filing an RCE) until the filing of the present Petition was unintentional. As indicated, Applicants' attorney was unaware of the deficiency in the RCE filed on May 9, 2003 until received the Notice on October 4, 2004.

In view of the above, it is respectfully requested that this petition to revive this application be granted and that the RCE be reinstated. The required Submission has been previously filed on May 28, 2004, with the filing of a Supplemental Information Disclosure Statement.

Respectfully submitted,

Bristol-Myers Squibb Company

Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

NOTICE OF IMPROPER REQUEST FOR CONTINUED EXAMINATION (RCE)

The request for continued examination (RCE) under 37 CFR 1.114 filed on May 12, 2003 is improper for reason(s) indicated below:

- ☐ 1. Continued examination under 37 CFR 1.114 does not apply to an application for a design patent. Applicant may wish to consider filing a continuing application under 37 CFR 1.53(b) or a CPA under 37 CFR 1.53(d). An RCE cannot be treated as a CPA.
- ☐ 2. Continued examination under 37 CFR 1.114 does not apply to an application that was filed before June 8, 1995. Applicant may wish to consider filing a continuing application under 37 CFR 1.53(b).
- ☐ 3. Continued examination under 37 CFR 1.114 does not apply to an application unless prosecution in the application is closed. If the RCE was accompanied by a reply to a non-final Office action, the reply will be entered and considered under 37 CFR 1.111. If the RCE was not accompanied by a reply, the time period set forth in the last Office action continues to run from the mailing date of that action.
- ☐ 4. The request was not filed before payment of the issue fee, and no petition under 37 CFR 1.313 was granted. If this application has not yet issued as a patent, applicant may wish to consider filing either a petition under 37 CFR 1.313 to withdraw this application from issue, or a continuing application under 37 CFR 1.53(b).
- ☐ 5. The request was not filed before abandonment of the application. The application was abandoned, or proceedings terminated on _____. Applicant may wish to consider filing a petition under 37 CFR 1.137 to revive this abandoned application.
- ☒ 6. The request was not accompanied by the fee set forth in 37 CFR 1.17(e) as required by 37 CFR 1.114. Since the application is not under appeal, the time period set forth in the final Office action or notice of allowance continues to run from the mailing date of that action or notice.
- ☒ 7. The request was not accompanied by a submission as required by 37 CFR 1.114. Since the application is not under appeal, the time period set forth in the final Office action or notice of allowance continues to run from the mailing date of that action or notice.

Note: A continued prosecution application (CPA) under 37 CFR 1.53(d) cannot be filed in a utility or plant application. A CPA filed in a utility or plant application that has a filing date on or after June 8, 1995 will be treated as an RCE under 37 CFR 1.114. The request for a CPA in the instant application, however, has been treated as an improper RCE for the reason(s) indicated above.

A copy of this notice MUST be returned with any reply.

Direct the reply and any questions concerning this notice to:
